Ham Radio Classes Forming Upgrade to General Class Now!

The Santa Fe Trail Amateur Radio Club (sftarc.org) will be holding classes each Saturday morning during January and February 2019, with the test on February 23, 2019 at the Salvation Army. Cancellations due to weather would extend the classes and test a week. Cost is \$30 for adults and \$15 for those age 16 and under. The ARRL General Class License Manual is provided.

During this 7 week course you will learn everything you need to know to upgrade from a **Technician Class FCC Amateur Radio License to General Class**. This course is structured to provide an understanding of the subject matter. Topics are taught at a slower pace, and presented in simpler terms to increase student comprehension.

The General Class license is your gateway to the excitement of voice, digital and CW communications via Amateur Radio using several radio bands that allow world-wide contacts.

Classes begin January 5, 2019 at 9:00am until noon.

Salvation Army building in Olathe, KS.

420 E Santa Fe St, Olathe, KS 66061

Please register at SFTARC.ORG.
