

# 2026 EXTRA CLASS

CONDUCTED BY THE SANTA FE TRAIL AMATEUR RADIO CLUB  
18995 West 183 St, Olathe, KS 66062

**PLACE:** Salvation Army Building  
420 E. Santa Fe  
Olathe, KS. 66062

**DATE:** Jan. 10, 2026 – Feb 28, 2026

**TIME:** 8:30 am ~ 12:00 pm (Saturday mornings)

**Cost (class):** \$15 for students 16 years and under  
\$45 for adults, 13<sup>th</sup> Edition manual included  
\$25 for adults, without manual.

The Extra Class is the third and highest level of the three ham radio licenses. It offers you all the HF privileges plus voice and digital operation on the popular HF bands; therefore, enabling you to make contacts around the world on the HF bands.

“... the ARRL Extra Class License Manual does more than just help you memorize the answers in the question pool. Each topic is addressed in sufficient detail to help you learn the “why” behind the rules, the “what” of basic electronics, and the “how” of amateur operating practices.” - ARRL

The use of the ARRL manual by the SFTARC instructors is intended to provide a more in-depth course, at a slower pace, and presented in simpler terms for a better understanding of the material. This class is designed for General-class hams wanting to upgrade to Extra class.

Latest enrollment date is December 29, 2025 if the SFTARC supplies the manual. Money will be collected when you receive the book or the first day of class.

Classes are in-person. If we have bad weather, then we would do the class via Zoom for that week. FCC exams will be offered on March 7 at the SA building.
